LOCATION

Standing between Bellagio historical centre and Villa Melzi Gardens, Lido di Bellagio is the place that welcome any visitors approaching the “pearl” of Lake Como. Thanks to its unique style dated back to 1930’ the location boasts such a particular minimalistic structure that it is considered a proper cultural heritage, a museum daily open to public which make tourist find themselves in piece of the real Italian history. After the latest renovation Lido di Bellagio is definitely a perfect frame for any kind of event, with a modern architectural touch which make it really special. Moreover it’s the only one in town with a real sandy beach overlooking the lake and that’s the reason why lots of people from any part of Lake Como come to visit. Just a few minutes from Tremezzina or Varenna by boat make it the perfect venue in the perfect place for those who can’t wait for spring to join it. Over the last 9 years, Libe (as known all around the region) has turned into a proper beach club during the day and in the third italian top night music club on week end. Why don’t you spend a day relaxing with friends drinking a fresh cocktail or attending the coolest summer parties?
